ABOUT US

At **Agile Nuvo**, we believe everyone deserves to shine with style and versatility. We focus on ensuring comfort and addressing common travel challenges for all our customers. We recognize that every generation plays a part in shaping a brighter, more innovative tomorrow, and we're here to support each individual in their daily adventures.

For over a decade, Agile Nuvo has been a leader in the travel accessories manufacturing industry. Founded with a hunger for success and a fearless spirit, our brand has become synonymous with robustness. From initial communication to the highest level of business planning, we bring enthusiasm and strength to everything we do.

We've partnered with top brands like **HRX, Wrogn, Provogue, Killer, Swiss Military, Nautica, Metronaut, GR Infraprojects and Roadster** pushing boundaries and setting new standards in the industry. But we're not stopping there. Every day brings new challenges and opportunities, fueling our drive to hustle harder and reach new heights.

PRODUCT RANGE

FROM THE **FOUNDER'S CHAIR**

We are two young and wild entrepreneurs who are on a journey that is fueled with passion and curiosity. From a very young age, we knew that we are destined to do something big. Despite many hurdles, our hustle for success was never the less.

After experimenting and exploring what would be fit for us and what the industry needed. In **2014** we discovered the major gap in tailor-made travel accessories manufacturers.

This gap ignited our spark to head our journey to the world of entrepreneurship and become a young and customizable bag manufacturing company.

THE RESULT OF OUR RESEARCH, DEDICATION, AND SPARK IS AGILE NUVO.

Fast forward to 10 years of **HARD WORK, EXPERIMENTATION, CREATIVITY,** and **RISKS** that we took here, we are proudly saying that the travel accessories like backpacks made by us are leading the way on major e-commerce platforms.

As a **10-YEAR** Young Startup, we are made to push the boundaries of possibilities and explore new doors of opportunities.

VISION & MISSION

VISION

To redefine the travel accessories industry through constant experimentation, pushing the boundaries of design and functionality.

MISSION

To push the travel accessories industry with our young and adventurous spirit. We empower brands with the freedom to customize and explore travel accessories that are built to perfectly match their unique vision.

OUR CLIENTS

OUR INFRASTRUCTURE

Our state-of-the-art infrastructure is built to support the highest standards in manufacturing and design. At the heart of our operations is a state-of-the-art production unit, equipped with advanced machinery and technology.

To complement our manufacturing capabilities, we have established a network of strategically located warehouses across the country. This infrastructure enables us to distribute our products quickly and efficiently, minimizing delivery times and enhancing the overall customer experience.

Quality is integrated into every stage of our operations. From the careful selection of raw materials to the final inspection of finished products, we maintain comprehensive quality control systems that guarantee robust and reliable travel accessories.

State-of-the-Art Manufacturing Facility

Our in-house production unit is equipped with the latest machinery and technology enabling precise and efficient manufacturing processes that ensure high-quality output for every product.

Advanced Design Studio

Our dedicated design studio houses cutting-edge tools and software, allowing our talented team of designers to create innovative and functional bag designs that meet diverse customer needs.

Nationwide Warehousing

With strategically located warehouses across different parts of the country, we ensure quick and efficient distribution, reducing delivery times and enhancing customer satisfaction.

Integrated Quality Control

Our infrastructure includes comprehensive quality control systems at every stage of production, from raw materials to finished products, guaranteeing robust and reliable travel accessories.

Sustainable Operations

We incorporate sustainable practices in our infrastructure, from energy-efficient machinery to eco-friendly materials, aligning with our commitment to environmental responsibility while maintaining high production standards.

Every product is carefully
Crafted to meet high Standards of
functionality And style, focusing
On the smallest details.

We conduct thorough
inspections to ensure each
product is durable and reliable,
meeting our uncompromising
quality criteria.

We customize every aspect
of the product to suit your
brand's unique needs, from
materials and design to
features and branding.

OUR STRENGTH

Versatile Designs:

Agile Nuvo offers adaptable and stylish travel accessories tailored to meet diverse customer needs and preferences, ensuring everyone shines with style and versatility.

Robust Quality:

With a commitment to durability, our products are built to withstand the rigors of frequent travel, making us synonymous with robustness in the industry.

Innovative Customization:

We excel in creating bespoke solutions that align perfectly with the unique requirements of our clients, setting new standards in travel accessory design.

In-house Design Team:

Our talented team of designers crafts unique and functional bag designs, ensuring top-notch aesthetics and practicality, perfectly addressing common travel challenges.

In-house Production Unit:

By maintaining complete control over the manufacturing process with our own production unit, we guarantee superior quality, precision, and timely delivery of our products.

Commitment to Comfort:

We prioritize comfort in our designs, ensuring that our products provide maximum ease during travel, supporting each individual every step of the way.

Trusted Partnerships:

Collaboration with top brands like HRX, Wrogn, Provogue, Killer, Swiss Military, Nautica, Metronaut, GR Infraprojects and Roadster underscores our industry credibility and expertise, pushing boundaries and driving innovation.

Looking to the future, our goal is clear, to be the best. Our love for experimentation keeps us strong, propelling us toward greater success and achievements in the world of travel accessories.

Join us on this exciting journey, and experience the vibrant energy and unwavering dedication of Agile Nuvo –

“YOUR ULTIMATE TRAVEL COMPANION”

FLEXIBLE PRODUCTION CAPACITY

Our state-of-the-art facility ensures a production capacity of 10,000 bags daily.

With this capability, we consistently meet small to large-scale demands while maintaining top-tier quality.
